

February 8, 2018

Dear Families,

It's that time of the year again when we need to start getting ready for Special Olympics. The date for Special Olympics is Wednesday May 2, 2018 at Macomb Community College South from 8:00am to 12:30pm.

In order for the student to participate in Special Olympics **the ENTIRE Health Form must be filled out and signed by a Doctor. There are NO EXCEPTIONS to this. Forms turned in without a Doctor's Signature will be returned by the County Coordinator and your athlete will not be signed up for any events.**

The good news is that once you have the Doctor's Signature we will keep copies of the forms and they will be good for three years so you shouldn't need a new one next year.

We want every student to participate who wants to participate in Special Olympics to be included. Please make sure that the forms are completed in their entirety and signed by a Doctor as requested by Special Olympics.

**The deadline for form turn in is March 1, 2018.** Completed forms with a Doctor's Signature must be turned in by that date in order for your student to be signed up for any events. Students without forms will not be signed up and not participating in Special Olympics this year.

If your student is choosing not to participate in Special Olympics please let Mrs. Karle-Sloan know so we can make note of it.
