

# Introducing yourself

1. Decide if you want to meet the person.

2. Decide if it is a good time.

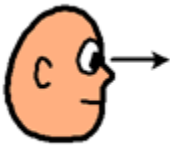

3. Walk up to the person.

4. Look them in the eyes and say

“Hi, my name is \_\_\_\_\_”. (You may also shake their hand if you’re comfortable with it).

5. Wait for the person to tell you their name. If they don't tell you, ask. (“What’s your name?”).
