

Open House

Lake Shore High School

Parents/Guardians, Todd Carney and Colleen Johnston would love to invite you to their classrooms to see what the MOCI program is all about!

When: Thursday May 24, 2018

Time: 9:00 a.m. - 10:00 a.m.

Where: Lake Shore High School

Rooms 114A, 114B, 114C

We understand that this transition can be exciting/scary/nerve-racking all in one, and we want not only the parents, but the students to feel as comfortable as possible when they move on to high school. Please join us to hear about our program, meet some of our students, and to meet your child's new teacher!

If there are any questions, please do not hesitate to e-mail us at tcarney@lsp.org or cjohnston@lsp.org.

We hope to see you there!
