### **Class Website and Emailing Newsletter**

The class website is up and running. The web address is: <http://moci.weebly.com> You will be able to view the weekly newsletter, monthly calendar, permission slips, classroom blog, web site links, and photos on this website. It is a continual work in progress.

I would like to email the Newsletter to families as well as post it on the webpage so as to reduce the amount of paper we are going through. I also like to email photos of activities we do during the day when I have opportunities. I would appreciate it if you would fill out the form on below indicating your name, student's name, and an email address that I can send the newsletters to. Please return the form as soon as possible. If you prefer to receive a paper copy then indicate that on the form by checking the appropriate line and return the form to school with your student.

Permission slips will always be sent home with ALL students as well as emailed.

**Please Clearly Print and Return this bottom portion by Friday September 23, 2016.**
